RS ANNOUNCES INDUSTRY & MANUFACTURING ACHIEVEMENT AWARD

TILBURY, ONTARIO and CALGARY, ALBERTA, CANADA – (April 19, 2019) – RS Technologies Inc. ("**RS**" or the "**Company**") is pleased to report that it has been awarded the *Industry & Manufacturing Achievement* for 2018 by the Tilbury Chamber of Commerce in Tilbury, Ontario, Canada.

The award, which was presented to representatives of the Company at an event held April 13, 2019, is designed to recognize a business that has demonstrated that it has designed, implemented and managed an effective infrastructure spanning all business and manufacturing processes, resulting in significant and sustainable success. Additionally, the business must have realized commendable achievements in environmental, health and safety practices.

"Having had active operations in the Tilbury area for more than a decade, RS is honoured to have its business recognized through this award," stated Howard Elliott, President and CEO of RS. "This acknowledgment is a real testament to the efforts of all of our Company's employees in Tilbury, including both those with many years of service as well as newer members to our growing team."

About The Tilbury Chamber of Commerce

The Tilbury Chamber of Commerce is the leading business organization in The Town of Tilbury, Ontario, Canada, that works on behalf of its members to advance business interests with the goal of creating a thriving business community.
